### Range Improvement Fund Drive

We have almost reached our goal thanks to you! We still have a few silver dollars left so get them while you still can. Thank you to all of the members and non-members who have donated. If you have not had the opportunity to donate and would like to, or if you would like to donate again, please see the club website for donation information.

If you or a friend would like to make a donation to the club's Range Improvement Fund and can donate a minimum of \$100, you will receive an investment gift. The Green Valley Rifle & Pistol Club will present you with a Genuine Piece-Type Silver Dollar made in the 1920s as well as a Limited Edition Certificate. These coins are in great condition and come in a protective case. They make a great addition to your collection or investments, and they make great gifts for kids or grandkids. This is a great opportunity and allows the club to match grants and gifts offered to update all of the ranges as well as the improvement of existing ranges at the Hallsville Range, as well as the continuing updates at the Columbia Range. If you would like to make a donation please contact Range Fund Chairman, Don Martin, for more information (2207 Oak Cliff Drive, Columbia MO 65203). Forms can be found on the club website.

### Member Accomplishments

Keep your eyes peeled! Next quarter's feature will be our own Patricia Johnson. Patricia recently attended a competition in Puerto Rico and will be sharing her experience with our members.

If you have a recent experience or accomplishment you would like to share with our members, please email your story (pictures welcome!) to [amanda.jo.brown88@gmail.com](mailto:amanda.jo.brown88@gmail.com) or you can mail it to the club post office box (address on page 2). Each month we will feature a new member story. Remember, accomplishments or events do not have to be shooting related. Also, this column will feature shout-outs and thank yous. If you would like to recognize a fellow member for all of their hard work on a project or at the range, please send those stories to the contact above.

### Green Valley Classifieds

Do you have some supplies, gear or ammunition you would like to sell? Are you looking for something in particular for your next match or reloading machine? Then we have the spot for you right here in the GVRPC Newsletter! If you would like to sell or place a want add please send your request to [amanda.jo.brown88@gmail.com](mailto:amanda.jo.brown88@gmail.com) and we will place your ad in the newsletter next quarter!

## Range Updates

The movers have been completed and were a big hit with the Bianchi Cup competitors this year! There is a special training session for club members who would like to use the movers outside of club matches. Two training sessions have been held. If you are interested in receiving training please contact a GVRPC Board Member.

## Range Rules

A revised edition of the GVRPC Range Rules has been approved and posted to the club website. If you have not had the opportunity to do so, please take a moment and review the rulebook as there have been several changes.

## Club T-Shirts

We have a few interesting in purchasing club t-shirts. The more interest we have the bigger the discount! If you are interested, please email [amanda.jo.brown88@gmail.com](mailto:amanda.jo.brown88@gmail.com) or comment on our Facebook page to be added to the list. We will be looking to order by the end of the year so shirts are available for the start of the next shooting season.

## Thank You

We would like to thank everyone who volunteered for the 35<sup>th</sup> Annual MidwayUSA & NRA Bianchi Cup and for the Cameron Cup. Without the volunteers we would not be able to hold these matches or run them as smoothly and professionally as we do.
