Member Accomplishments

By Patricia Grane-Johnson

Last March I attended the 2014 IDPA Puerto Rico National Championship; what a great experience! This was my first time flying with a firearm to a match so I was somewhat worried about all the paperwork and potential problems that could arise during the trip. Luckily I had no issues except for the 11 lb limit on ammunition set by the carrier. I competed in CDP Division with my single stack .45 with only 50 rounds of spare ammunition in order not to exceed the weight limit.

The match was hosted by RL Shooting Club in Caguas located in the central mountain region just 30 minutes south of San Juan. The range is located in a deep valley surrounded by tropical mountains. Most of the shooting bays back up to tropical, lush forest. There were approximately 175 competitors from the US, Caribbean, South and Central America. It was a great opportunity to meet and interact with shooters.

The 2015 IDPA World Championship is scheduled for next March at the same location with over 300 shooters expected to travel to Puerto Rico for the match.

Check out the IDPA Journal for an article on the Puerto Rico Nationals as well as a photo of Patricia on page 46 at <http://www.idpa.com/content/tactical-journal/14V1813.pdf>

Club T-Shirts

We have FINALLY got the club t-shirts ready to order! The design will be presented at the Annual Meeting and if you are interested you can order at that time. The more people who order, the better our discount will be. The shirts will be no more than \$39 each and will go down from there as the number ordering goes up. We have created a new logo for the shirts (see below) and have included logos from sponsors who have helped our range and members consistently over the years.

Thank You

We would like to thank everyone who volunteered for the Glock Regionals. We had a successful match however this year we did not break our record. Glock provided the club with a few certificates which are being raffled. Raffle tickets are \$50 each and only 200 tickets will be sold. The winner of the drawing gets ALL of the certificates. Please see a board member to purchase tickets. Photo: Chris Edwards instructs Shelby Smith on proper trigger technique.
